# LEAD THE WAY

LEVERAGING PSYCHOLOGICAL SCIENCE TO IMPROVE THE WORKPLACE

## SPEAKER BIO

### Katrina Burrus, PhD, MCC

Dr. Burrus founded MKB Excellent Executive Coaching LLC, which specializes in developing leaders to adapt quickly & successfully to new roles, and she is recognized for her experience with clients from diverse culture backgrounds. Dr. Burrus teaches leadership and post graduate courses at various universities and has created a ground-breaking thought leadership work-shop, *Global Nomadic Leadership: Succeeding in a World without Borders*. She teaches Executive Coaching and has worked extensively with (and is certified by) the International Coaching Federation (ICF). She has authored *Global Nomadic Leaders: How to Identify, Attract and Retain Them*, *When the Visionary Leader is Blinded*, & *Managing Brilliant Jerks: How Organizations and Coaches can Transform a Difficult Leader into a Visionary*.

Past coaching clients include:

Nestle | Novartis | CERN | United Nations | International Labor Organization | World Trade Organization | Bank of Switzerland | Swiss Government
