# LEAD THE WAY

LEVERAGING PSYCHOLOGICAL SCIENCE TO IMPROVE THE WORKPLACE

## SPEAKER BIO

### Laurie B. Moret, PhD

Laurie B. Moret, PhD, is a consulting psychologist employed as a leadership and organizational development consultant and coach in a variety of industries. She received her doctorate and master's degrees in psychology from Arizona State University and the University of Georgia, respectively. Her bachelor's degree was awarded from Washington University in St. Louis, and she maintains licenses in Virginia and Florida.

Previously, Dr. Moret was a senior client partner in Korn/Ferry International's Washington, DC, office. Dr. Moret had joined Korn/Ferry from Right Management, where she was a senior vice president of organizational consulting and a member of the firm's Coaching and Leadership Development Centers of Excellence. She is also a disaster response volunteer with the American Psychological Association and the American Red Cross.
